CROCHET PATTERN

Wreath ornament for Christmas tree

MATERIALS

1. Medium weight yarn "Two colours"
2. 4.5mm of hook
3. Yarn needle
4. Scissors
5. Bangles or round wire "2 inches in diameter"

1.ROW-Using your bangle or round wire.
Make 45 single crochet.

Before a slept stitch we need to
change color then cut red yarn.

2.ROW Chain one and do 3 double crochet on the same chain ,repeat the process

3 double crochet on the every single chain.

Continue this pattern to finish the second row....

Once you finish the row make a slept stitch,but before that need to change the color then cut the green yarn.

3.Row

This time do a single crochet in every chain to finish the 3rd row .

Do a slept stitch and cut the yarn

“Make sure you have enough yarn for your project to hang” then secure it.

Now we need to arrange it evenly!!!

Once we done sit aside .

Now make a bow

1 row.To begin make a slept knot and chain 16

2 row.Insert your hook on the 3chain and do a single crochet and continue to finish the row single crochet

3 row.Then chain 2,turn the work and insert your hook on the second chain continue this pattern until you have 6 rows

One you done your 6 rows leave at least 24 inches of yarn then cut it

Nex step

Using a yarn needle we need to connect both and "sew"

Once it's done locate the center and wrap around the middle portion to form a bow then you're ready to sew it to your wreath....

Now we done a bow and ready to sew on the wreath if you like to a glue that's fine too.

Final Touches: Trim any excess yarn, and your Christmas ornament is ready to be displayed or gifted. Remember to take your time and enjoy the process!

I hope you enjoy creating your crochet Christmas ornament! Feel free to get creative with colors and embellishments. Happy crafting!
